INTERMEDIATE A+  
FCS PRE MEDICAL  
2021-2023

#### AR SECONDARY SCHOOL OF SCIENCE DEPALPUR

MATRICULATION A+  
2019-2021

### WORK EXPERIENCE

Over the past year, I've gained valuable experience in React and frontend development. I've become proficient in creating reusable components, managing state effectively, implementing routing, integrating APIs, and ensuring responsive design. I've also learned debugging techniques, testing methodologies, performance optimization strategies, and deployment processes. Overall, I've developed a solid foundation in building modern, user-friendly interfaces for web and mobile applications

Methodology Framework  78 %

Project Management  81 %
